VanDerBrink Auctions is pleased to bring you the Schildberg Collection Auction. The Schildberg Business started in the 1930's with just a couple trucks. They would break up a load of rock, haul it to town, and sell it to build roads in Iowa. The business grew and would include a Skelly gas station and Greenfield Chevrolet. GM was always the favorite. Corvettes, Pre-War Classics, and more. There were many parades and shows and it was Chevrolet all the way. Dennis passed away and his wife Marlene assembled the museum with their collection to celebrate their love of cars. Marlene passed away and the collection went to their daughter. Now she has made the decision that it is time for the collection to be enjoyed by bidding. The collection has a variety of Corvettes including a Rare 1953, 1954, 1955, 1963, and more. The collection holds an assortment of Pre-War Classics and vintage cars. The Schildberg Auction is a wonderful opportunity to add to your collection or that first classic purchase. Plan now to attend this auction. You will not want to miss this amazing opportunity.
